The Y During COVID-19

We Are Glad You Are a Member of Heart of the Valley YMCA!

Due to the presence of COVID-19 in our world these days, our YMCA has adapted to create the safest possible environment for our members and staff within our branches. Our operations and hours may need to change from time to time, and some information in this member handbook may be out of date. Information in this handbook was current at the time of printing. For the most up-to-date hours and availability of member amenities, visit our web site at www.ymahuntsville.org.

Health authorities recognize that one of the best things you can do to stay healthy is to participate regularly in exercise. The Y is here for you, not only to provide a safe place to stay healthy but to provide encouragement and friendly faces so that even in social distancing, you can still be socially connected.

What the Y Is Doing to Keep You Safe

Our YMCA has implemented a number of measures to help keep you safe in our facilities:

- **Single Entry/Exit:** To help us maintain our safety protocols, we will maintain a single entry/exit point at all YMCA locations.
- **Self-Scan:** Members are asked to use self-scanning stations for access to the building.
- **Installed I Wave air purification technology** on all or our HVAC units supplying air to our fitness centers
- **Increased fresh, outside air flow** into our fitness centers
- **Increased the number of cleaning and disinfecting stations** throughout our facilities
- **Use state-of-the-art electrostatic foggers** to disinfect our fitness equipment
- **Paper towel, hand sanitizer and soap dispensers** are touchless units
- **Assigned additional staff for cleaning.**

What We're Asking You to Do

The YMCA appreciates members' adherence to the following safety precautions during their visits:

- **Plan Ahead:** Reservations are currently required for group exercise class (excludes pool-based classes) and racquetball courts. Reservations may be made through our mobile app or website.
- **Stay Home if You're Sick:** Members should stay at home if they don't feel well. The CDC and Alabama Department of Public Health officials encourage seniors and members of vulnerable populations, including those with underlying health conditions, to stay at home.
- **Leave Family at Home:** Please do not bring family who are not working out with you to the Y. Children who will be staying in Child Watch are welcome.
- **Wash/Sanitize Your Hands Frequently:** Wash your hands or use provided hand sanitizer upon entering the facility and frequently during your visit.
- **Keep Your Distance:** Please exercise on designated equipment only and respect all signage regarding social distancing. Strive to maintain at least six feet between you and others whenever possible.
- **Remember to Wipe Down Equipment:** Please help us reduce the risk of exposure to germs by wiping down all equipment, weights, mats, and items with cleaning materials provided at your branch.

ABOUT US

Welcome to the Heart of the Valley YMCA! As a non-profit charitable organization, the YMCA strives to involve individuals and families of all backgrounds and abilities so that they can grow healthier in spirit, mind and body and develop a sense of responsibility to each other and their community.

Our mission is to put Christian principles into practice through programs that build healthy spirit, mind and body for all. At the Y, we're for youth development, healthy living and social responsibility. Memberships and Program Services are open to all youth and adults who wish to enroll as members or program participants. We hope that your relationship with us is as meaningful to you and your family as it is to us.

Support Your YMCA!

Annual Giving Campaign

The Heart of the Valley YMCA seeks to ensure that everyone has the opportunity to participate in Programs and Services that assist them in living fuller, healthier lives. Because of the positive impact of the Annual Giving Campaign, lower income youth, teens and families throughout our community are provided the opportunity to participate in YMCA Programs and Services than ever before.

Making a gift through the YMCA's Annual Giving Campaign not only supports the YMCA's commitment to serving all, but makes a direct and positive impact on the quality of life for local individuals and families. If you would like to contribute to the campaign, please inquire at the Member Services Desk.

Financial Assistance

If you are unable to pay the full cost of YMCA Membership or Programs, you may apply for partial assistance based on your financial situation. Funds for financial assistance are raised by the volunteers of the Annual Giving Campaign and come from generous YMCA members, individuals and businesses in our community.

Volunteer Information

Volunteers are the strength of our organization. They make it possible to offer the wide range of quality services and programs that we do. Their contribution impacts all aspects of the Heart of the Valley YMCA. If you are interested in volunteering at the Hogan Family YMCA, please contact Buster Brasfield at buster.brasfield@ymcahuntsville.org or (256) 705-9622.

CHILDREN AND YOUTH ACCESS

Child Watch

The Heart of the Valley YMCA Child Watch is a babysitting service available for children ages 6 weeks to 12 years of age while their parents are using the facility. Our purpose is to provide our youngest members with an interactive and developmentally appropriate learning environment while parents enjoy an invigorating work out or period of relaxation. Your child will be cared for by loving, experienced staff in a nurturing environment. All Child Watch staff are CPR and First Aid trained. They are also trained to recognize signs of abuse and are Mandated Reporters.

- Only children listed on the family membership are eligible.
- Limit 2 hours per child per visit.
- Parents must remain on site while their children are in our care.
- Any child who appears ill and contagious (diarrhea, vomiting, green runny nose) will not be allowed to stay. Allow 24 hours for your child's symptoms to clear before admittance.
- The YMCA provides toys for children while they are in our programs. Please do not bring/or allow your child to bring toys from home into Child Watch. This includes electronic devices. Toys from home often lead to conflict and therefore we prefer toys from home to stay at home.

We encourage you to continue to bring your child so that they may become accustomed to the environment.

Discipline in all Programs

Staff will use redirection and positive reinforcement while working with your child. If these techniques are not successful, and your child poses a danger to themselves, or others, we will notify you immediately. Staff reserves the right to limit a child's access to the room until inappropriate behavior improves.
